The parties agree that COMPANY Works shall not include any visual, audio and audiovisual works (including art, illustrations, graphics, images, music, sound effects, recordings, lyrics, narration, text, animation, characters, designs and all other audio, visual, audiovisual and textual content) which is created by, licensed by, posted or otherwise provided by Customer, which shall be considered a part of the Customer Works as defined above.

COMPANY and its licensors will retain ownership of all COMPANY Works developed or acquired by COMPANY (whether prior to or after the Effective Date) or independently from the HAProxy Edge CDN Service, together with all related intellectual property rights (whether such rights are registered or unregistered, and wherever in the world those rights may exist). Except as otherwise set forth in an applicable Order Form, COMPANY shall also own exclusively all COMPANY Works developed, in whole or in part, by or on behalf of COMPANY for Customer pursuant to this Agreement or any applicable Order Form together with all related intellectual property rights throughout the world (“**COMPANY Developed Works**”). Customer will and hereby does, without further consideration, assign to COMPANY any and all right, title or interest that Customer may now or hereafter possess in or to the COMPANY Developed Works including any feedback which is received from Customer or any Customer End User. To the fullest extent permissible by applicable law, all copyrightable aspects of the COMPANY Developed Works will be considered “works made for hire. Partial or incomplete versions of COMPANY Developed Works or COMPANY Works will be deemed COMPANY Developed Works or COMPANY Works, respectively.

Customer will execute and deliver all documents and provide all testimony requested by COMPANY to register and enforce intellectual property rights in COMPANY Developed Works solely in the name of COMPANY. Customer irrevocably designates and appoints COMPANY as its agent and attorney-in-fact to act for and on its behalf to execute, register and file any applications, and to do all other lawfully permitted acts, to further the registration, prosecution, issuance and enforcements of the intellectual property rights in COMPANY Developed Works with the same legal force and effect as if executed, registered and filed by Customer. Customer will not provide COMPANY: (a) any Customer Works other than those for which Customer has the right to grant rights and licenses, or (b) any Customer Works that would infringe upon any third party’s intellectual property or any other rights whatsoever. Customer shall remain solely and completely responsible and liable for all executory and other obligations relating to Customer Works only insofar as they are not assigned to COMPANY pursuant to written agreement.

During the applicable Term, and provided Customer is not in breach of this Agreement or any applicable Order Form, COMPANY grants to Customer a non-exclusive, revocable, non-transferable, non-assignable license (as set forth in an applicable Order Form) to such intellectual property rights in COMPANY Works and COMPANY

MASTER AGREEMENT – HAPROXY EDGE CONTENT DELIVERY NETWORK (CDN) SERVICE

Developed Works that COMPANY embeds in or otherwise provides with any HAProxy Edge CDN Service only to the extent required to use and enjoy such HAProxy Edge CDN Service. The parties acknowledge and agree that the foregoing right and license does not include the right for Customer to: (a) use, copy, modify, develop derivative works, sublicense, distribute, display and perform the COMPANY Works or COMPANY Developed Works other than as specifically set forth in any applicable Order Form, (b) designate third parties to exercise those rights and licenses on behalf of Customer, (c) sublicense, transfer or assign any such rights, or (d) use COMPANY's trade names, trademarks, service marks, logos or any other trade or source indicia. Customer specifically agrees to these liquidated damages. In agreeing to pay these liquidated damages, Customer acknowledges that this amount is not a penalty, and that the actual damages are uncertain and difficult to ascertain, but that this amount represents the parties' good faith attempt to calculate an appropriate compensation based on anticipated actual damages. If COMPANY is required to engage an attorney or other person to collect any liquidated damages or other amount from Customer, or if COMPANY seeks assistance of an attorney to pursue injunctive relief against Customer, or if COMPANY is required to file an ICANN Complaint against Customer (or any Customer End User) in order to transfer an offending URL to COMPANY from Customer (or any Customer End User), then Customer further agrees to reimburse COMPANY for all legal fees and costs in order to collect such liquidated damages, or in order to seek injunctive relief from Customer (or any Customer End User), or in order to file and prosecute an ICANN complaint. Customer understands that even a nominal amount of damages may require expenditure of extensive legal fees, costs and other amounts that may well exceed the liquidated damages themselves. Customer agrees to pay all of these fees and costs.

Customer grants to COMPANY, during the Term, a non-exclusive, worldwide, fully paid-up, royalty-free license to Customer Works and Customer's trademarks, service marks, logos and trade names, but only to the extent required to deliver and allow use of and/or render HAProxy Edge CDN Service pursuant to this Agreement (including the right to sublicense to COMPANY's product and service providers).
